

AJAY MATHUR

is the Director General of The Energy and Resources Institute (TERI), New Delhi, and a member of the Indian Prime Minister's Council on Climate Change. He earlier headed the Indian Bureau of Energy Efficiency, and was responsible for mainstreaming energy efficiency through initiatives such as the Star Labeling programme for appliances, the Energy Conservation Building Code, and the Perform, Achieve & Trade programme for energy-intensive industries. He was a leading climate change negotiator, and was the Indian spokesperson at the Paris climate negotiations. He served as the interim Director of the Green Climate Fund during its foundational period.

At TERI, he has spearheaded the move to accelerate action towards a low-carbon and cleaner economy through the adoption of renewable energy in the Indian electricity sector, enhancing efficiency in buildings and industry, and promoting environmental quality through recycling of material wastes and biotechnology-based solutions.

He co-chairs the global Energy Transitions Commission; and is also co-chair of one of the climate initiatives of the One Planet Summit.

Dr Mathur received a Bachelor's degree in Chemical Engineering from the (then) University of Roorkee, and Masters and PhD degrees from the University of Illinois. He has also received the Distinguished Alumnus Awards from both his alma maters.

He was appointed a Chevalier de l'Ordre national du Merite by the President of France in recognition of his outstanding commitment to the preservation of the environment and coping with energy-related challenges.
